Just Because: Where Another Point of View Makes a Better You!

What is the value of sharing, taking action, and seeing another person's point of view? Meet two families who feel it's their responsibility to give back to others. Through delightful and whimsical illustrations, *Just Because* shows us how easy it is to give back to our community and to see things from a different perspective.

Praise for Just Because

“What a wonderful package of passion and purpose! Any child would do well by using the messages of author Amber Housey as building blocks for a life of substance and impact. Every household in America ought to have a copy of this book.”

~ Jeffrey Marx, Pulitzer Prize winner and author of Season of Life

“Seeing complex issues through a child's eyes will make you smile with wonder. *Just Because* is a delightful read for both children and adults- giving insight into the simplicity of giving and the joy of a child's heart. As someone who works with a diverse group of people in poverty, I can attest that this book addresses some of the negative stereotypes in a way that easy for kids (and adults) to understand.”

~ Bill Brazier, Executive Director of St Vincent de Paul Detroit

“Reading Flip Side stories with my kids inspires conversation about understanding and empathy—things we need more of in this world!”

~ Christy McDonald, TV Personality and Parenting Blogger
